

Program-Specific Outcome & Course Outcome

<p>Program Outcome (PO)</p>	<p>The Department of Sanskrit offers an in-depth knowledge of this Indian classical language and literature.</p> <p>The study of Sanskrit literature aims to develop an integrated awareness of the cultural tradition and philosophical sensitization of India.</p> <p>Sanskrit has shaped the culture, art, architecture, scientific disciplines, and other aspects of society like polity, philosophy, etc. Today, Sanskrit is widely used as a ceremonial language in Hindu rituals in the form of hymns and mantras.</p> <p>Learning Sanskrit can help students gain a deeper understanding of Indian Culture, philosophy and spirituality. Improving vocabulary: Sanskrit is the mother of many languages, including Hindi, Bengali, Marathi, and Nepali. Learning Sanskrit can improve students' vocabulary and comprehension of these languages.</p> <p>Sanskrit is the main liturgical language of Hinduism and used to be the lingua franca that helped all of the different regions of greater India communicate with each other. Most of the greatest literary works to come out of India were written in Sanskrit, as well as many religious texts.</p> <p>It has been found that remembering Vedic mantras can build the size of our cerebrum and upgrade our critical thinking and mental abilities.</p> <p>Chanting Mantra can help calm the mind, reduce stress and anxiety, and create positive energy within and all around you.</p> <p>To prepare the learners to continue academic study at a higher level</p>
<p>Program Specific Outcome (PSO)</p>	<p>The completion of the learning activity associated with a study program ensures the qualification attributes are attained. To be awarded a specific degree the students have to demonstrate skills and competencies which are both subject specific as well as generic.</p> <p>The learning outcomes are so designed that they prepare the students either for further study, employment and also to be a good citizen.
